Note : ** All vehicles with 5x112 PCD - But only if the O.E. offset is between 36 Pos and 49 Pos inclusive.

Note : *** If vehicle has large free-wheeling front hubs check clearance on 18"+ wheel sizes before fitting tyres.

This listing is to be used as a general guide only. All due care has been taken in the preparation of this fitment guide, however no responsibility is accepted by Mullins Wheels Pty Ltd for any error or change in vehicle fitment specifications without notice. Some recommended wheel vehicle fitments may exceed regulations in some States. Traffic authority regulations can vary between States and Territories of Australia. Mullins Wheels Pty Ltd recommends that a check be made with the relevant authority for wheel and vehicle suitability in regard to vehicle track dimensions and wheel and tyre load rating compatibility to the vehicle prior to wheel purchase by the customer.

mullins wheels :: 3 Year Warranty

are warranted for a period of three years from the date of purchase to be free of defects in material and workmanship. Warranty for coating (paint or chrome finish), or any nut, stud, washer or cap, is limited to one year from date of purchase. Warranty adjustment requires verification of date of purchase.

Mullins Wheels Pty Ltd, in the event of a defect, malfunction or failure to conform with this written warranty, upon return of the wheel(s) to its premises from the authorised distributor freight pre-paid, will repair or replace (at its option) the wheel or part through the authorised distributor. We assume no responsibility for diagnosis, removal and installation labour, loss of vehicle use, loss of time, inconvenience or other consequential expense
