mullins wheels :: 3 Year Warranty

are warranted for a period of three years from the date of purchase to be free of defects in material and workmanship. Warranty for coating (paint or chrome finish), or any nut, stud, washer or cap, is limited to one year from date of purchase. Warranty adjustment requires verification of date of purchase.

Mullins Wheels Pty Ltd, in the event of a defect, malfunction or failure to conform with this written warranty, upon return of the wheel(s) to its premises from the authorised distributor freight pre-paid, will repair or replace (at its option) the wheel or part through the authorised distributor. We assume no responsibility for diagnosis, removal and installation labour, loss of vehicle use, loss of time, inconvenience or other consequential expense
