Mullins Wheels is proud to release the **Milan** wheel which is the latest addition to their 2015 Alloy Wheel Range.

Milan is a beautifully sculptured seven spoke mesh wheel design with long spokes and a dished front face. The Milan is available in a brilliant high gloss, baked enamel paint finish, able to withstand the most harsh road conditions.

Milan is intended to be fitted onto small front wheel drive cars, medium size cars and compact SUV's, Subaru vehicles, GM Commodore vehicles and European sedans such as VW Golf, etc..

The Milan wheel is available now so please contact our sales team or go to our website to check available fitments and **live stock on hand** today.
