Mullins Wheels is proud to release **RENEGADE** – The **NEWEST** addition to the CSA Alloy Wheels 4x4 Range.

RENEGADE offers a stunning wheel design with a wealth of fitments, and two finish options;

Gloss Black Machine-Face & Satin Black All Over.

RENEGADE features an aggressive 7 split-spoke design. The **Gloss Black Machine-Face** option showcases a striking gloss black lip, which contrasts against the bright machined face of the spokes. The circumference of the wheel is highlighted by false machined rivets. Completing the look of the wheel is a gloss black cap with chrome CSA logo.

The **Gloss Black Machine-Face** option is finished with a smaller cap for the 5-stud multi-drill & 6/114.3 bolt patterns (only).

The **Satin Black All Over** finish features the same bold structure, but with the added toughness typical of an all-over black wheel.

RENEGADE is available in a wealth of fitments, & will fit all popular 4x4 & SUVs.

RENEGADE (Gloss Black Machine-Face) – Vehicle Fitments

Size	Part Number	PCD	Offset	Nut Type	Cap	Max Load Kg	Finish
16x8	358-680P35-5HB	5/114.3 & 5/120	35 Pos	TUNER	401-C155GB	1150 kg	Black Machine-Face
