SATIN BLACK with CHROME BOLTS TO SUIT 4X4 AND VARIOUS 4X2 & SUV APPLICATIONS

DUNE is a tough looking 6-spoke 4x4 / SUV wheel, with a distinctive heavy-duty appearance to enhance your off-road ride.

The six big, clean spokes have a rugged, durable satin black paint finish with contrasting chrome hex bolts on the rim edge to complete the appearance.

Available in 16x8", 17x9", 18x9" & 20x9" sizes, DUNE will fit a wide range of 4x4, 4X2 & SUV applications and is designed & tested for Australian off-road conditions.

DUNE is load rated to a maximum of 1250 kg (1150 kg for the 16x8" variant), and is suited for Australian 4x4 Utes & Wagons & various 4x2 and SUV applications.

Available now for immediate delivery Australia wide.
