RT PRO RUGGED TERRAIN - SATIN BLACK TO SUIT MULTIPLE 4X4 AND 4X2 APPLICATIONS

The new Rugged Terrain RT PRO wheel is the latest addition to CSA-X Pro Series Offroad wheel range. RT PRO has six split spokes with a deep concave face, cast alloy rim edge bolts and a signature CSA-X cap.

Available in 17x8 and 18x8 sizes, CSA-X RT PRO will fit a wide range of popular 6-Stud 4x4 and 4x2 applications, including Toyota LC300 Series.

With a huge 1500 kg wheel load, RT PRO will suit vehicles that have been fitted with a GVM upgrade kit. The CSA-X RT PRO has been designed and tested to deal with the harshest Australian off-road conditions.

CSA-X RT PRO carries a Lifetime Structural Warranty
