CSA STINGER - NEW WHEEL RELEASE

STINGER is the latest new release wheel in the Mullins 2011 range. Stinger is available in three sizes 18x8", 19x8" & 20x8".

PASSENGER & SUV FITMENTS:

CSA's new Stinger wheel will fit a range of passenger and SUV vehicles.

Bolt Patterns:

Stinger is available in 3 sizes and each size will have two different bolt patterns

Multi Drilled 10-Hole 5/120 / 5/114.3

This bolt pattern with 45 Pos offset will fit most GMH Commodore vehicles and a range of small compact & medium size SUV vehicles and Japanese import vehicles.

Single Drilled 5-Hole 5/114.3

This bolt pattern with 36 Pos offset will fit most Ford Falcon vehicles plus a range of medium to large SUV vehicles and selected other Marques.

Unique Feature: Stinger features a stunning, new design, flush fitting centre cap, which covers the mounting bolts.
