CSA JACKAL - NEW WHEEL RELEASE

The CSA **JACKAL** alloy wheel is the latest new release wheel in the Mullins 2011 range. The Jackal is available in three great new sizes - 16x8", 17x8" and 18x8"

UNIQUE STYLING

The **JACKAL** wheel features new, very aggressive styling which is accentuated by a classy new cap & CSA embossed decal.

JACKAL features brilliant machined spokes with a gloss black rim and spoke apertures.
